CERTIFICATE OF COMPLIANCE

CERTIFICATE NUMBER: 070199 – MH25929
ISSUE DATE: January 7, 1999

Issued to: Petro First Inc.

Report Reference: MH25929

This is to Certify that
representative samples of:

Piping Containment Troughs and Canopy Column Platforms for
Use on Single Wall or Type I Secondary Containment Steel,
Composite, or Jacketed Underground Storage Tanks for
Flammable Liquids

Have been investigated by Underwriters Laboratories Inc. in accordance with the Standard(s) indicated on this Certificate.

Standard(s) for Safety: Not Applicable

Additional Information:

These are components designed to be installed on Listed single wall or Type I secondary containment steel underground tanks for flammable and combustible liquids that are constructed in accordance with UL58. The tanks and components are provided with external corrosion protection in accordance with UL1746 by the tank manufacturer.

Only those products bearing the Recognized Marking should be considered as being covered by UL's Recognition and Follow-Up Service.

The Recognized Marking generally consists of the manufacturer's identification and catalog number, model number, or other product designation as specified under "Marking" for the particular Recognition as published in the UL Directory. As a supplementary means of identifying products that have been produced under UL's Component Recognition Program, UL's Recognized Component Mark, a "mirrored" UR- , may be used in conjunction with the required Recognized Markings. The Recognized Component Mark is required when specified in the "UL Directory" preceding the recognitions or under "Markings" for the individual recognitions.
